The Fire Safety Committee

At the HOA annual meeting it was decided to establish a "Wildfire Prevention Plan" for our subdivision. Several of our neighbors volunteered to be on this committee (see page 2). Meeting every Saturday morning these residents have developed a comprehensive, action specific, annual plan. The plan requests that individual homeowners assess their property risks. The goal is to help homeowners create a defensible space surrounding their home as well as helping firefighters to defend said property. Every homeowner wants to retain their homeowner's insurance coverage. Currently some insurance companies are evaluating this coverage in NM homes located in wildfire zones. The Fire Safety committee is offering support, education, guidance and resources. Our mission is to help save lives, homes and our beautiful environment.

LET'S WORK TOGETHER!!

E911 Reflective Road Signs

E911 numbers are for Emergency first responders. (This may or may not be your actual postal address). Numerals indicate the distance from the beginning of each road, (i.e. 26 on Mirasol means .26 miles from its beginning at CRA20).

Call (707) 462-1085 to get your E911 reflective sign. Only \$6.
